

APPRENTICING MEETINGS

OUR WIN

We create an engaging and relational atmosphere for preparing potential leaders.

HOW WE WIN

- **Connect:** Ask a personal question to get people connecting and focus on building relationships.
- **Reflect:** Share key takeaways and reflections from the last competency and recent shadowing experience.
- **Coach:** Sharpen a certain leadership competency by discussing the content, asking questions and learning from one another's experiences.
- **Care:** Spend time praying with and for each other.
